## THE CHAMBERLIN FREE PUBLIC LIBRARY.

---

George F. Merriam, Chairman, }  
William C. Greene, Secretary, } Trustees.  
Herbert J. Taft, Treasurer, }  
Charles T. Wheeler, Librarian.

### TRUSTEE'S REPORT.

The Library has been open for the exchange of books, according to its rules, every Saturday during the year. Miss Cora B. Robbins was continued in office as librarian until her resignation, Sept. 5th. Miss Hattie L. Robbins was then employed until the opening of the Reading Room with magazines and papers for the further accommodation of the public. This was done Oct. 27th and its advantages have been continued every secular evening since, with few exceptions, the whole under the charge of Mr. Charles T. Wheeler.

The action of the town in accepting the provisions of the act concerning Free Public Libraries was promptly reported to the State Board of Library Commissioners. Application was duly made for the State grant of books and all the requisite forms complied with. We have hoped that under a liberal construction of the statute our request might receive favorable response, and we have still reason for cherishing such hope. On this

account the purchase of new books has been delayed, but a list of desirable works has been carefully prepared and valuable additions may soon be expected.

The seventy-seven volumes sent away for rebinding near the close of last year were early in the season returned to their places, and two new books have been presented by Mr. James B. Fry.

The trustees wish to express gratitude to their fellow citizens for such generous answer to their appeal for contributions in aid of the Reading Room. Over one hundred dollars were cheerfully pledged. Our list of monthly magazines has included *The North American Review*, *The Review of Reviews*, *The Century*, *Harper's*, *Scribner's*, *Good Words*, *Outing*, *The Cosmopolitan* and *The Quiver*. *The Weekly Tribune*, *The World*, *Puck* and *The Judge* have been regularly put before their readers, also the daily issues of the *Boston Journal*, *Herald* and *Globe*. Our recent esteemed townsman, Dr. G. F. Munsey, during his stay contributed *Harper's Weekly* and the *Manchester Daily Union*. Mrs. H. I. Whitney has put *The Popular Science Monthly* upon our reading table. Others have gratuitously furnished such papers as *The Household*, *The Independent*, *The Congregationalist*, *The Christian Union*, *The Farmer's Cabinet*, *The Peterborough Transcript*, *The Fitchburg Sentinel* and *The Statesman*.

The Selectmen have kindly given the use of their room and favored us with numerous other courtesies. The place is now well provided with chairs and all other needful furniture, and affords an attractive evening resort for our youth as they seek the culture of larger acquaintance with current literature. Besides, the

magazines are soon given out and are as eagerly sought as any books. Some of them when bound will become a valuable addition to the Library. Your trustees believe the matter of importance and hope for far reaching results. They recommend that the enterprise be permanently sustained by the town. Let us be liberal in the equipment of our children for a good fight in the battle of life.

Respectfully submitted by the Trustees.

REPORT  
OF THE  
SCHOOL \* BOARD  
—OF—  
GREENVILLE, N. H.

---

## REPORT.

---

*The School Board would report as below:*

The East School has been kept for 36 weeks during the past year and the town of Mason has paid one-half of the expense. This has seemed a fair adjustment and to the advantage of both towns. The school has done good and satisfactory work. The average attendance in this as well as in the South School is remarkable in view of the fact that the school-houses are at long distances from the homes of some of the pupils.

The South School has been open for the summer and fall terms. It did not seem wise to maintain it during the winter for a probable attendance of three or four pupils only. It may even be well in the future to close this school for a portion of the year, at least, and transport the pupils to Greenville.

The graded schools in the village have passed a successful and pleasant year. There has been nothing to seriously interfere with the studies, and they have gone on with marked steadiness and spirit in all the rooms. It has been necessary to add new subjects for a class of advanced pupils in the upper room. English and American Literature, English History and Algebra

are not usually found in Grammar Schools, and the course as at present conducted takes pupils at least two years into the work of the average High School. Where the number of pupils is small this arrangement is the best that can be made, but the variety of studies in our so-called Grammar grade is too great. It crowds the scholars and overworks the teacher. So soon as the number of possible pupils justifies the expense, a distinct and separate High School should be opened. The Intermediate and Primary Schools are graded more closely than before and are in good condition.

The Board have had the rooms painted, the ceilings whitewashed and the whole inside of the building made neat and comfortable.

As a reward and encouragement a record is here given of those neither absent nor tardy.

For one term: Mary Batchelder, Elsie Willard, Ernest Russell, Edith Douglass, Ethel Pierce, Mary E. Munsey, George W. Doonan, Herbert J. Doonan, Etta Ritter, Alfred Conley, Irving Hodgman, Charles Douglass, Tracy A. Eaton, Orrin Eaton, Cornelius Sullivan, Gertrude Phelps, Myrtle Sawtelle, Myrtie E. Heald.

For two terms: Lily G. Allison, Elizabeth Hastings, Annie N. Ames, Willis Parker, Ida Ames, Emma S. Ames, A. Marian Kingsbury, Victoria Conley.

For three terms, Merton Sanborn.

For three years, Adrian V. Hall.

Following is given a table of statistics and results. All of which is respectfully submitted.

WM. C. GREENE,

H. J. TAFT,

School Board.
