WARRANT**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Greenville, New Hampshire in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Community Hall in said Greenville on Tuesday, the 10th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Bring in your ballots for:

Town Clerk for one year; one Selectman for three years; Town Treasurer for one year; Tax Collector for one year; Highway Agent for one year; one Water Commissioner for three years and one Water Commissioner for two years; one Trustee of Trust Funds for three years; one Library Trustee for three years; two Auditors for one year; and three Firewards for one year.

And at eight of the clock in the afternoon of Wednesday March 11th, at the Town Hall Auditorium to act upon the following subjects:

ARTICLE 1.

To choose all necessary officers not chosen by the Australian ballots.

ARTICLE 2.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

ARTICLE 3.

To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.

ARTICLE 4.

To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes, or take any action thereon.

ARTICLE 5.

To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and raise and appropriate a sum of money to cover the expenses of such an audit.

ARTICLE 6.

To choose Delegates to the Constitutional Convention.

ARTICLE 7.

To vote on the question "Shall Sweepstakes Tickets be sold in this city or Town".

ARTICLE 8.

To see if the Town will vote to raise and appropriate the sum of \$252.42 (six cents per \$1000. of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote and preserve the natural advantages and resources of the Town in cooperation with the other 37 towns of the Monadnock Region.

ARTICLE 9.

To see if the Town will vote to appropriate a sum not exceeding \$8000.00 for the purpose of making improvements to the following Class V roads within the Town; Adams Hill Road #50, Mason Road such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, as amended by Laws of 1957, Chapter 273:3 and to authorize the Selectmen to determine the rate of interest thereon, and to take such other steps

as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Greenville.

ARTICLE 10.

To see if the Town of Greenville will vote to continue to maintain its existing Municipal Court so long as its present judge remains in office.

ARTICLE 11.

To see if the Town will vote to have a Town Budget Committee appointed, or take any other action thereon.

ARTICLE 12.

To see if the Town will vote to install a light on a pole which is located midway between Gauvin's Garage and the corner of Temple Street and Dunster Avenue. Raise and appropriate a sum of money for this purpose or take any action thereon.

ARTICLE 13.

To see if the Town will vote to authorize the Selectmen to convert the Community Hall into a Municipal Court Room in compliance with RSA 502:4a and RSA 502-A:31 and a Police Headquarters or take any action thereon.

ARTICLE 14.

To see if the Town will vote to raise and appropriate a sum of five hundred dollars (\$500.00) to paint and finish the floors in the Community Hall or take any action thereon.

ARTICLE 15.

To see if the Town will vote to authorize the Selectmen to appoint the First Fireward to act as Chief, said Chief to appoint the second Fireward as Assistant Chief and the members of the Fire Company to choose the Third Fireward, this to go into effect at the 1965 Town Meeting.

ARTICLE 16.

To see if the Town will vote to raise and appropriate

the sum of \$300.00 to install a Base Station at the Fire House or take any action thereon.

ARTICLE 17.

To see if the Town will vote to raise and appropriate the sum of \$200.00 for the purchase of an "Air Pac" for the use of the Fire Department or take any other action thereon.

ARTICLE 18.

To see if the Town will vote to accept a 1927 Seagrave Fire Truck which was bought by the members of the Fire Department at no expense to the Town, or take any action thereon.

ARTICLE 19.

To see if the Town will ratify, approve and confirm the action of the Greenville Fire Department in joining Greenville to the Souhegan Valley Mutual Aid System and in agreeing that Greenville Fire Department may give and receive outside aid as provided in RSA 154 as amended, or take any action thereon.

ARTICLE 20.

To see if the Town will vote to raise and appropriate a sum not to exceed \$1000.00 for the purpose of installing a hydrant on Adams Street next to the Ball Park or take any other action thereon.

ARTICLE 21.

To see if the Town will vote to withdraw the sum of \$506.00 from the Myrtle M. Marsh Fund for the Parks & Playgrounds or take any other action thereon.

ARTICLE 22.

To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of installing a water line from the main hydrant line on River Street to the play-

ground to be used for the purpose of flooding the Boys Club skating rink, or take any other action thereon.

ARTICLE 23.

To see if the Town will vote to give the Highway Department the use of the last two west stalls of the Fire House for a town shed or garage or take any action thereon.

ARTICLE 24.

To see if the Town will vote to raise and appropriate a sum of money to purchase a piece of land and erect a building thereon for the use of the Highway Department under the supervision of the Town Selectmen and the Road Agent or take any action thereon.

ARTICLE 25.

To see if the Town will vote to raise and appropriate a sum of money to paint the exterior of the Town Hall as recommended by the Committee or take any action thereon.

ARTICLE 26.

To see if the Town will vote to rescind the action taken at the second recessed meeting of the annual Town Meeting for 1963 whereby it was voted in substance: "That the board of Selectmen and Water Commissioners be authorized to enter into a binding contract with the water resources board to obtain Site 12A, so-called, in Temple, or take any other action thereon.

ARTICLE 27.

To see what percentage of the cost of amortizing the cost of Site 12A, so-called, will be charged to the general assessment of the town each year until such indebtedness is paid, or take any other action thereon.

BUDGET COMMITTEE REPORT

The Budget Committee started meeting with heads of Departments on January 30th with meetings held weekly through February 17th at which time the committee met with the three Selectmen and discussed the Town Budget.

The Budget Committee recommends the following:
SCHOOL DEPARTMENT

School Budget as recommended by the School Board of \$72,627.23. The increase over last year is largely due to increased High School tuition.

The committee unanimously recommended the passage of Article 9, 10, 11 and 12 of the School Warrant pertaining respectively to one-year exclusive contract with Appleton Academy for high school tuition; a child attending special classes; painting the school building and repairing the front porch entrance at a cost of approximately \$36,093.

On Article 13 regarding a cooperative school district planning committee, we recommend that the members be appointed by the floor rather than by the moderator.

We recommend passing over Article 14 as we understand that these services can be obtained without any expense to the town.

In view of the heavy expenses to the building, it is recommended that Article 15 for Playground Equipment be passed over.

HIGHWAY DEPARTMENT

Recommended unanimously was the following budget:

Summer Roads	\$ 3,200.00
Sidewalks	1,000.00
Bridges	500.00
Tarring	3,500.00
Winter Roads	12,000.00*

*Road Agent's Budget called for only \$10,000 but the committee felt that \$12,000 would be a more realistic figure.

By a vote of 7-1, the sewerage budget of \$700.00 was recommended.

Unanimously recommended were the Budget of Parks & Playground Committee amounting to \$425.00; the Library Budget of \$1600.00 and the Cemetery Budget of \$750.00.

WATER DEPARTMENT

Budget of \$4733.00 was recommended. The Budget Committee further recommends the following:

1. A uniform rate schedule for all customers.
2. Greater effort be made to collect the accounts receivable.
3. Organization of water commissioners by electing a chairman and defining the areas of responsibility of each member.

FIRE DEPARTMENT

Budget of \$4,262.00 was unanimously adopted.

Forest Fire Budget of \$500.00 was adopted - \$100 is for regular budget expenses and \$400.00 is to be used for repairing forest fire truck obtained from the State of New Hampshire.

POLICE DEPARTMENT

Budget of \$7,477.00 which includes \$500 for the cruiser fund was adopted.

The Budget Committee recommends the following on the Town Budget:

Town Officers' Salaries	\$2,150.00
Town Officers' Expenses	2,300.00
Election & Registration Expenses	750.00
Municipal Court Expenses	350.00

Exp. Town Hall & other buildings	3,000.00
Employees Retirement & Soc. Sec.	600.00
Insurance Liability	800.00
Civil Defense	850.00
Health Dept. officer	50.00
Vital Statistics	60.00
Town Dump	2,000.00
Street Lighting	3,800.00
Town Poor	1,600.00
Old Age Assistance	1,300.00
Memorial Day	400.00
Aid to Soldiers & families	100.00
Parks & Playgrounds (listed above)	

Town Budget totals \$143,416.85.

Unanimously recommended was an upgrading of the street lighting in the town. We approve the initiation of such a program by an expenditure of an additional \$495.00 on Chamberlin and Mill Streets lighting.

The Articles of the Town Warrant were recommended as follows by the Committee:

Art. 8 - \$252.42 for the Monadnock Region Association - Passed 5 - 2

Art. 10 - Pertaining to Municipal Court - Passed 7 - 0 (1 not voting)

Art. 11 - Town Budget Committee - Passed unanimously.

Art. 12 - Light on Dunster Ave. between Gauvin's Garage and Temple St. Recommend passage and up grading lights on Dunster Ave. at the same time for the sum of \$116.25.

Art. 13 - Use of Community Hall as Municipal Court and Police Headquarters. Passed 7 - 0 (1 not voting)

Art. 14 - \$500 for paint and refinishing floors of Community Hall. Passed unanimously.

Art. 16 - \$300 for base station at Fire House - Passed 7 in favor.

Art. 17 - \$200 for Scott Air Pac for Fire Dept. - Passed unanimously.

Art. 18 - Acceptance by town of 1927 fire truck-- Committee unanimously against this article.

Art. 20 - Hydrant on Adams St. next to Ball Park - Passed unanimously.

Art. 21 - Withdrawal of \$506.00 from Myrtle Marsh Fund for the Parks & Playgrounds - Passed unanimously.

Art. 22 - Water line from hydrant on River St. to Ball Park. This article is not recommended in view of the fact that we recommend adoption of Art. 20.

Art. 23 - Use of two stalls in Fire House for town shed or garage. 7 in favor of the article.

Art. 24 - No action taken on this.

Art. 25 - Painting exterior of town hall - No action taken until cost figures can be obtained.

Art. 26 - Committee unanimously against this article.

SYNOPSIS of 1963 TOWN MEETINGS

March 12, 1963

Number of Ballots Cast - 479

The meeting was called to order by the moderator, Charles E. Sawyer, at 10:00 A.M., and after the reading of the Warrant by the moderator, the polls were opened for voting by Australian ballot. At 10:10 A.M., it was voted to close the polls at 6:15 P.M. At 9:45 P.M. the meeting was called to order by the moderator and the articles in the Warrant were disposed of as follows:

Article 1: For Town Officers chosen see page 3 of this report.

Article 2: See Selectmen's report for appropriations made. Voted not to join the Monadnock Region Association.

Article 3: Voted to accept reports as printed in the Town Report.

Article 4: Voted to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

Article 5: Voted not to have an audit made by the Division of Municipal Accounting, State Tax Commission.

Article 6: Voted to remodel and paint the grandstand at the Ida Taft Playground, and install bubblers and toilets, at a cost of \$350, said sum to be taken from the Myrtle M. Marsh Fund.

Article 7: Voted that the moderator appoint a committee of five to consider the matter of painting the exterior of the Town Hall and report at the next Annual Meeting. The following persons were named to the committee:

J. Willard Buttrick, Jr.
George Fournier
Bruce Grover
Edward Pelletier
John Stencavage

Article 8: Voted to pass over the petition to sell a small portion of the Pleasant Street Cemetery adjacent to the residence of Henry Richardson.

Article 9: Voted not to authorize the Selectmen to appoint the First Fireward to act as Chief, said Chief to appoint the second Fireward as assistant Chief, and the members of the Fire Company to choose the third Fireward.

Article 10: Voted to purchase an air-horn system for the Fire Department at a cost not exceeding \$3,500 and authorize the Selectmen and Town Treasurer to borrow \$3,000, payable \$1,000 per year plus interest, the balance to be raised and appropriated this year.

Article 11: Voted to authorize the Selectmen to have an invoice of all property and poll taxes printed in the Town Report for 1964.

Article 12: Voted to have the moderator appoint a Budget Committee for the ensuing year. The following persons were named to the committee:

Adrienne Alix
Alice Beausoleil
Joseph C. Caouette

Helen Coll
Joseph Desrosiers
Shirley Enright
Alexander M. Taft
Robert Taft
Robert Wirtanen

Article 13: Voted to appoint a committee of five to make a thorough study of the Water Department of Greenville as set up in 1915, procure legal advice if necessary, make such recommendations that will result in more efficient management of the Water Works, and report at a later date, and raise and appropriate a sum not to exceed \$500 for legal expenses incurred. The following persons were named to the committee by the moderator:

J. Willard Buttrick, Sr.
Albert Bourke
Albert Coll
Marcel Gauvin
Alexander M. Taft

Article 14: Voted that the Annual Meeting of March 12th, 1963, be recessed to the third Tuesday of May, May 21st, 1963, at 8:00 P.M. for the purpose of acting on Article 14 of the Warrant, and that any action on Article 14 be held until that time.

Voted to recess at 10:35 P.M.

/s/ T. A. Eaton, Town Clerk

RECESSED TOWN MEETING

May 21, 1963

The meeting was called to order by the moderator, Charles E. Sawyer, at 8:00 P. M. Article 14 of the Warrant was read by the moderator.

It was voted that the recessed Town Meeting of May 21st, 1963, be recessed to the fourth Wednesday of June, June 26th, 1963, at 7:30 P. M. for the purpose of acting on Article 14 of the Warrant.

/s/ T. A. Eaton, Town Clerk

RECESSED TOWN MEETING

June 26, 1963

The meeting was called to order by the moderator, Charles E. Sawyer, at 7:30 P.M.

A report from the Committee appointed by the moderator under Article 13 was read by Mr. Albert Coll. It was voted that the report of the Committee be accepted and that the Committee print and distribute this report to the voters of the Town of Greenville in order for the Town to vote on the acceptance of the Regulations at a recessed Town Meeting to be held on the Second Tuesday in September, September 10th, 1963, at 7:30 P.M.

Article 14: The moderator read "Report of Sources of Water Supply, Greenville, New Hampshire, for the Board of Water Commissioners, Greenville, New Hampshire," prepared by Anderson Nichols & Co., Inc., dated June 1963.

Voted that the Greenville Water Commissioners and/or the Selectmen be authorized to enter into a binding agreement with the New Hampshire Water Resources Board for water at Site 12A in Temple, N. H.

/s/ T. A. Eaton, Town Clerk

RECESSED TOWN MEETING

September 10, 1963

The meeting was called to order by the moderator, Charles E. Sawyer, and it was voted to adjourn the meeting. The meeting was adjourned at 7:33 P.M.

WATER STUDY COMMITTEE REPORT

The study committee appointed by the Moderator to make recommendations for better management of the Water Department was as follows: Albert F. Coll, J. Willard Buttrick, Sr., Alexander M. Taft, Marcel Gauvin and Albert Bourke.

The committee held an organization meeting at which Albert Coll was named chairman and J. Willard Buttrick, Sr., Clerk.

The first field trip was to Merrimack, arranged by Mr. Coll, to see a new well and pumping station and to confer with the chairman of Merrimack's water board.

We later arranged a meeting in Concord with the N. H. Public Utilities Commission where we received many recommendations and were given methods of drawing up a new, up-to-date, set of rules and regulations based on rules and regulations drawn up by a majority of cities and towns in N. H.

The towns of Jaffrey, Milford and Wilton were also contacted on their water systems and management.

From this information and the trips taken we drew up a new set of rules and regulations which were presented by the study committee, in a special meeting, to the Selectmen and Water Commissioners, who agreed that they could live with them.

They were then presented at a special town meeting and accepted, with the stipulation that the committee have copies printed and distributed to the residents. This has been done.

We would like to call your attention to Article 16 of the 1962 town warrant and vote of the 1962 town meeting when it was voted "that the entire management of all matters pertaining to the supplying of the citizens of the Town of Greenville with water for drinking and domestic purposes, and the construction, installation and control

of any and all property or equipment used in this connection, be placed in the hands of the Water Commissioners, except that said Water Commissioners shall file a statement at each annual Town Meeting listing all expenditures of the previous year.

And shall submit an estimated budget for the ensuing year for approval by the voters present at the Annual Meeting. Said statement to be acted on by the Town Budget Committee, if one is in existence."

This will clarify any question about rules and regulations of the Water Department, as the management, as stated therein, is entirely in the hand of the Water Commissioners and any rules and regulations they accept or adopt are law.

Respectfully submitted,

Albert F. Coll, chairman
J. Willard Buttrick, Sr., clerk
Alexander M. Taft
Marcel Gauvin
Albert Bourke

REPORT of WATER COMMISSION

This report covers from July 23, 1963 to December 31, 1963, following the resignation of Ronald J. Vaillancourt as chairman and the appointment of Albert F. Coll to fill the vacancy until Town Meeting of 1964.

July 23 the Selectmen and Water Commissioners went to Concord for a conference at the request of the Water Resources Board as a result of the vote taken at the special Town Meeting in June whereby the Selectmen were authorized to get binders with the Water Resources Board for Site 12-A.

At this time it was requested that Greenville officials submit copies of articles pertaining to Greenville Water Works, from 1915 on, for the Attorney General to review for legality.

When the Attorney General ruled that they were in order another meeting with the Selectmen and Water Commissioners was held in Concord with the Water Resources Board at which time \$5,700.00 was requested to have a comprehensive engineering survey made. (The amount of \$10,000.00 had been voted at a special town meeting, October 16, 1962, for a survey which was never carried out.) Therefore, a saving of \$4,300.00 has been realized.

We have prepared some of the necessary information for the engineers in conjunction with this report, which is being prepared for Greenville after approval by State officials. It is expected that the survey will be completed and given to us about March 5, 1964, as the engineers were given 90 days from the contract date to complete said survey.

We will make every effort to have information available to residents before town meeting.

On July 31 we experienced a leak on Temple Street due to a bad joint and residents in that immediate area were notified that water would be shut off for a time to

make repairs, thus giving them an opportunity to draw a reserve for drinking purposes.

It later became necessary to shut off the main reservoir to prevent loss of water because there were no blueprints to show the location of shutoffs and this was time consuming.

The pump station has been cleaned and the interior painted. Roof repairs have been made, windows were puttied and exterior trim painted.

The State Board of Health had promised if this were not done, they would do it.

New covering has been installed on the main stops at the reservoir as conditions previously presented a sanitation and safety problem. Brush and shrubs were also cut and cleared away.

During the dry season a daily check was kept on the water level in the reservoir to determine critical situations and in an attempt to avoid periods of no water.

On a few occasions it was necessary to haul water, by Bernier's tank truck, from Wilton to carry us over. This was done with the full consent and knowledge of the State Board of Health and the officials of the town of Wilton who cooperated fully.

The State Board of Health has been contacted each time there was any questions of sanitation, supply, etc. and has worked closely and agreeably with us.

We had two wells chemically cleaned, thereby giving us an additional supply of water which carried us through the fall.

Several water meters have been repaired, new ones installed in some instances where necessary. Service calls have been made for reports of leaks and we have conferred with residents owing large past due bills.

A jet pump and motor have been repaired because they had been left in No. 3 well all the previous winter, causing a cracked housing and motor damage.

In July we had no inventory of tools, equipment or materials on hand.

Previous payments show purchase of tools in the past but few remain available at present.

We have held one meeting of the Water Commissioners, this fall, with the Selectmen to discuss our affairs. One meeting of the Water Commissioners has been held, open to the public, with a few interested residents attending to ask questions, discuss problems and pay water bills.

We welcome any opportunity to talk with water users and to try to make any corrections necessary, either in maintenance or financial problems.

We have plans which we hope can be worked out to cut down on our operating expenses and to make for more convenience of our water users.

The understanding cooperation shown by the majority of the people has been greatly appreciated.

Prompt payment of water bills has also been gratifying as this enables your Commissioners to pay the department bills and keep our records "in the black."

Again we say "thank-you."

Albert F. Coll, Chairman
Greenville Water Commissioners

WATER COMMISSION

GREENVILLE WATER COMMISSION AUDIT
GREENVILLE WATER COMMISSION

We have examined the accounts of the Treasurer Greenville Water Commission and find the same to be correct and in good order.

As noted in the Selectmen's Report the Town of Greenville paid \$5,700.00 to the Greenville Water Commission. This money was then directly paid over to the N.H. Water Resources Board for the purpose of underwriting a study of the Greenville Water problem. Although this transaction appears on the Water Commission's books, it has been omitted from its Report for the year ended December 31, 1963.

John Stencavage
Virgil Rassier

There were 21 summons served for out of town departments.

Respectfully submitted,

/s/ Robert Pelletier

Chief of Police

October 10, 1963

Selectmen
Greenville, N. H.

Dear Sirs:

I would like to take this opportunity to commend Chief Pelletier of Greenville, New Hampshire, for the splendid cooperation extended to officers of this department, and the capable manner in which he displayed his knowledge of police techniques, which brought about the apprehension of four male subjects from Fitchburg, Mass.

Always be assured of our cooperation in all matters of mutual interest.

Very truly yours,
/s/ Joseph P. Darcy
CHIEF OF POLICE
Fitchburg, Mass

REPORT of FIRE WARDENS

During the year 1963 we had eleven fire calls in the town and five out of town calls and also eight fire drills during the year. We also had three-one blow calls which were caused by defected alarm and one girl lost in Mason. We had inspection of the Schools and Public Buildings, which were all in good order.

At this time the Firemen wish to say we have bought a fire Excape for the Fire Station and a fire truck for forest fire at no expense to the town. The Legion post 13 also installed a fence between the Fire Department and the Legion Hall which we are very thankful for.

A new fire alarm was installed and is in good running condition and we are very pleased with it.

Assistance was given to Greenville by Wilton on Nov. 1 through Mutual Aid. The town of Mason extinguished a fire in Greenville at Mason and Greenville lines.

The Board of Fire Wardens are proud at this time to say we have accepted a tank truck from the state Forestry Dept. under their condition.

We regret to say in the past year we have lost a fireman, Amedee Vaillancourt.

Respectfully, submitted,

George S. Fournier
Theodore J. Bedard
Jean Lizotte

Fire Wardens

REPORT of FOREST FIRE WARDEN

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience - a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump - its safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

TOWN HALL COMMITTEE REPORT

Recommendations of the committee relative to the painting of the exterior of the town hall.

Scrape, putty, all exterior woodwork and windows as needed. Replace any broken glass. Caulk joints and cracks in woodwork. Prime one coat all woodwork and windows. Finish coat all woodwork and windows, exterior. Dutch Boy Lead and oil, white, to be used. Completion date July 30, 1964. The committee also recommends that a maintenance program be set up. Funds to be appropriated each year, in the amount of two hundred dollars.

Committee:

Edward Pelletier, Chairman
Bruce Grover
J. Willard Buttrick Jr.
George Fournier
John Stencavage.

LIBRARY REPORTS

REPORT OF THE LIBRARIAN TO THE TRUSTEES FOR FOR THE YEAR ENDING DECEMBER 31, 1963

Another year of Library service has come to an end. It has been a good year, financially and otherwise. The total number of visitors during the year was 7,281 and the circulation was 9,823 books and magazines loaned.

In March \$100.00 was added to the budget to pay for an assistant Librarian, and Mrs. Violet Buttrick has filled the position very successfully. She has worked every Friday afternoon; during the two weeks' vacation of the Librarian; and several evenings when additional help was needed.

The Librarian attended a course on Reference Work held at the Carpenter Library in Manchester, N. H. The course was conducted by Professor Robert E. Dyingner of the University of New Hampshire and was sponsored by the State Library. Twenty librarians met every Saturday morning, for two hours, from February 23 to April 27. Transportation to the course was furnished by Mrs. Helene Greene and Mr. Russell Kimball. The course proved to be most helpful and as a result several new books have been added to our reference collection. These books are: Encyclopedia of World History by Langer; Taylor's Encyclopedia of Gardening; Encyclopedia of the Opera by Ewen; Popular Medical Encyclopedia by Fishbein, M.D.; and Hammond's American History Atlas.

The Librarian attended two "book banquets". One in the spring with Mrs. Dorothy Russell and Mrs. Gertrude Houghton, and one in the fall, when Mrs. Helen Greene furnished transportation. These "book banquets" were held in Keene, N. H., at the State Extension Library. They give librarians an opportunity to browse among hundreds of new books - fiction, non-fiction, and children's collections - thus affording a chance to "see" new books before ordering.

National Library Week was celebrated during April 21 to April 27. As a "kick-off," on Wednesday, April 24, Mrs. Helene Greene and the Librarian attended the N.L.W. luncheon held at the N. H. Highway Motel. Lorus and Marjorie Milne were the guest speakers. They talked about their new book, "The Valley". This book was given to the Library by the Greenville Woman's Club. The State Federation President had requested that books be given to the local libraries instead of presenting her with a corsage when she made her official visit to the clubs in the State.

As part of our celebration of N.L.W. a second Pops Concert, under the direction of Dr. James Hitchcock, and sponsored by the Friends of the Library, was held in the Town Hall. This proved to be as successful as the first attempt, and \$175.00 was given to the Library for the purchase of books. This affair was also given a write-up by Emil W. Allen, Assistant State Librarian, in the North Country Library Bulletin. This bulletin goes to every Library in the States of Vermont and New Hampshire.

During N.L.W. the Chamberlin Library also held an Open House and Tea. This affair was well attended, and Miss Nora Unwin, illustrator and author of children's books, was the guest speaker. A short story contest was held for children in grades 4 through 8. The girls were given the subject "A Day Spent with My Favorite Storybook Character," and the winners were Roberta Desrosiers, Susan Eaton and Gail Richardson. The boys wrote on "Space Exploration," and Charles and Richard Eaton were the winners. The prizes of \$5.00 each were given by Mrs. James Hitchcock and presented by her at the Open House. A poster contest, on the N.L.W. theme, "The Fifth Freedom - Reading - Enjoy It," was open to all school children, and the winners were Elaine Gauvin and Portia Richardson. The books, "The Wind in the Willows" and "Flickertail", were given and presented by Mrs. Russell Kimball.

Two file cabinets have been added to the Library equipment. Mr. Albert Bourke was instrumental in helping us acquire a secondhand cabinet, and the Library trustees purchased a new one for our use. Mrs. Dorothy Russell has given a great many hours of her time to filing the many pamphlets and papers we wish to keep.

In July and August a Reading Contest was held for the boys and girls of the 3rd, 4th, 5th and 6th grades. This was a successful venture, many children taking part. At the close of the Contest a cook-out was held at the home of the Librarian. All who had read the required ten books were invited, and "games" and "eats" were enjoyed by all. A story hour, for ages 6 through 9, was held Friday afternoons during the summer. About twenty youngsters were eagerly waiting for a trip on the "Magic Carpet" each Friday. The last story hour of the season included playing games, and refreshments, furnished by the Friends of the Library, were served. The children still ask, "Will there be a reading contest and story hour next year?" The answer is, of course, "Yes".

For the third year a special reading group has come to the Library for one hour each week. In this time we read together some classic or other worthwhile book. These children are chosen by their teacher, and come as a part of their classwork, from September to June. Each Friday during the school year the different classes come to the Library to get books for book reports or supplemental reading. On the last Friday of each month a story hour was held for the children in grades one and two. It is hoped in this way to stimulate a love of reading in the young people of the community.

In November, a one-day Reference Work Shop was held at the State Library in Concord, N. H. Mrs. Helene Greene and the Librarian attended. It was a most interesting and stimulating meeting. The State Librarian expressed the hope that we would all return to our libraries and do something with our enthusiasm. As a result, the

Librarian conducted a Workshop for grades 5 through 8 on "How to Use the Library." The response and enthusiasm of the children was overwhelming. At the end of a 4-week period, during which the children had tried to find the answers to ten questions, if possible, the Librarian went to the school and went over the questions with the children. They have learned how to use the card catalog file, how to find books of fiction on the shelves, and how biographies and non-fiction books are arranged. At a later date we hope to hold a workshop on reference material.

It has been gratifying to find more adults using the Library this past year. Perhaps the availability of more funds and thus the purchasing of more and better books is the answer.

A total of 423 books was added to the Library this year. Of these, 157 were for young readers. The Golden Science Library, consisting of 15 volumes, was given to the Library by the Friends of the Library. Mrs. Dorothy Russell gave a set of Science books written by Maud and Misha Petersham. The set contains 17 volumes and is written on third-grade level. Both sets have proved to be very popular with the youngsters.

Sixty-six books have been borrowed directly from the State Library to fill specific requests of patrons, and the Bookmobile left 941 books this year, an average of 188 books each trip.

We wish to thank the Girl Scout Committee for the subscription to the "American Girl Magazine," Mrs. Raymond Fournier for the "Geographic School Bulletin," the Greenville Women's Club for the "Clubwoman" and Miss Esther Kimball for continuing the subscription to N. H. Profile Magazine and the gift of the National Geographic. Miss Nina Doonan has given us Newsweek; U. S. News and World Report is a gift of the J.W. Buttricks; and "Holiday" is donated to the Library by Mrs. Pearle Foster. We are most grateful to the following, who have given books to the Library through the year: Mr. Wil-

ber Cate, Mrs. Cameron Burnap, Russell Kimball, Mrs. Leon Russell, Mrs. Bernice LaFreniere, Mrs. Gertrude Houghton, Mrs. Robert Wellwood, William LaPierre, Mrs. William Galligan, Sr., Mrs. James Hitchcock, Miss Nina Doonan, Miss Kathy McCuddy, and Mrs. Pearle Foster. The Sodality of St. Anne presented the Library with a Catholic Bible, and the World Service League of the Federated Church gave Cruden's Complete Concordance of the Old and New Testaments. Memorial books have been given in memory of Eugene H. Coffin, a former Library trustee; Rev. Wilfred J. LaPoint; and Mrs. Alexina Duval.

At various seasons of the year special decorations have been put up in the Library, to make it attractive for young and old. We are indebted to Mrs. Helene Greene for many of these decorations. We wish to thank Mrs. Margaret LaPierre for the many bricks she covered with attractive material, and that make such useful book-ends. Also our thanks go to Mrs. Dorothy Russell, President of the Friends of the Library, for the many times she has given a helping hand.

Looking backward, it would seem to have been a "good" year, but we are looking forward to an even better 1964.

Gertrude S. Kimball
Librarian

REPORT OF LIBRARY TRUSTEES

The Trustees of the Chamberlin Free Public Library are asking for an appropriation of \$1600 for the Library for the ensuing year. This amount includes an increase of \$100 over the amount budgeted for last year. The additional \$100 is for the purchase of an Index File Cabinet. The Governor's Committee for Better Libraries has pointed out that libraries receiving the greatest financial support from their towns - \$3.50 or more per person - have a corresponding increase in the use that is made of the library resources. We believe that this is one place where the expenditure of money benefits every individual in the town, providing he wants to take advantage of the opportunity to increase his knowledge and enjoyment of life.

The Public Library is a repository of the words, thoughts, and ideas of man dating back to the beginning of written history. "It is also a place where the experience of the past can meet the needs of the present." Whether you want to bake a cake, plant a rosebush, or make a speech, you can find some helpful advice about it in the library.

More and more students are discovering how useful our Library is in their education. There are approximately six times as many young people who use the Chamberlin Library as there are adults who use it. Not only do students use it for preparing the traditional book reports for English, but they can, and do, find information about any subject from astronomy to zoology. We need more books, however, to cover all subject matter more thoroughly, and in an up-to-date manner. Because we do not live close to an academic library, it is important for us to have a comprehensive selection of good reference books. This helps to provide information on a wide range of topics.

We are very happy that there is such an influx of students into the Library, but this does not mean that other aspects of adult reading are neglected. There are shelves full of fascinating and instructive books for all of us. Reading, for adults, is a continuing process in their education, as well. "Education is more than schooling." The stimulation of ideas and thought, and a larger capacity to enjoy the world around us is the end product of wider reading.

Mr. and Mrs. Russell Kimball and Mrs. Willard Buttrick Sr. attended the testimonial dinner in Concord, New Hampshire in honor of Mrs. Mildred McKay who is retiring from her post as State Librarian.

Again, the Trustees wish to thank Mrs. Kimball for her untiring devotion to the Chamberlin Free Public Library, and, further, wish to commend her for her unceasing efforts to promote the love of books and reading in the community. The Trustees also wish to express their appreciation for the time and work that Mr. Russell Kimball gives to the Library. The Library, also, has been most fortunate to acquire the services of Mrs. Violet Buttrick as an assistant Librarian this past year.

Respectfully submitted,

/s/ Robert Taft

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Greenville qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March 1964, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to raise and appropriate a sum not to exceed \$34,558.00 to enter into a one year exclusive contract with Appleton Academy, for the tuition of all high school children of Greenville in lieu of \$35,000 currently stated in the School Board's Budget for this purpose, or take any action relating thereto.

10. To see if the District will vote to raise and appropriate \$350 to pay net tuition for one additional child to attend a state approved special class for intellectually retarded children as allowed by Chapter 186:50a, RSA, or take any action relating thereto.

11. To see if the District will vote to raise and appropriate \$900 to paint the school building, or take any action relating thereto.

12. To see if the District will vote to raise and appropriate \$285 to repair the front porch entrance and columns of the school or take any action relating thereto.

13. To see if the District will vote a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the Moderator, or take any action relating thereto.

14. To see if the District will raise and appropriate a sum not to exceed \$640 to meet the expenses of the co-

operative school district planning committee, including school consultant services, or take any action relating thereto.

15. To see if the School District will vote to raise the amount of Five hundred dollars (\$500) for necessary permanent playground equipment, or take any action thereon.

16. To transact any other business that may legally come before the meeting.

Given under our hands at said Greenville this day of February 1964.

A true copy of Warrant -- Attest:

SUPERINTENDENT'S REPORT

To the School Board and citizens of Greenville I respectfully submit my sixth annual report as your superintendent of schools.

STAFF AND INSTRUCTION

The Greenville school opened this fall with three changes in staff. Mr. Frederick Marshall of Milford, New Hampshire, a graduate of the University of New Hampshire with teaching experience at Canaan, Meriden, New Hampshire and Pinkerton Academy was hired to fill the vacancy at the seventh and eighth grade level. Mrs. Velma Gray of Pittsburg, New Hampshire, a graduate of Plymouth Teachers College with many years of experience in the northern part of New Hampshire and recently a teacher for two years in Lyndeborough was hired to teach in grades three and four, and Mrs. Mary Brown Davis of Jaffrey after a year of illness was hired to teach in the first and second grade room of the school. Mr. Manley continues as principal of the school helping thereby to lend continuity to the overall academic program.

The two areas of instruction outlined in last year's report continue to be improved upon and expanded during this present year. The Spalding system of reading, writing and spelling is being solidly developed in grades one through six. Fortunately both Mrs. Gray and Mrs. Davis have had experience in using this system of reading. The program is being carried out in the fifth and sixth grade room through the efforts of Mr. Manley. It is expected that each year marked improvement will be made in each of these areas through the use of this very sound reading system.

In the area of mathematics, the modern mathematics approach is now being taught at grade levels one through eight. The program at the seventh and eighth grade level is somewhat restricted because of the limited background of youngsters in modern mathematics. It is anticipated,

The first part of the paper discusses the importance of the study of the history of the United States. It is argued that the study of history is essential for a full understanding of the present and for the development of a sense of national identity. The author then proceeds to discuss the various methods used by historians to study the past, including the use of primary and secondary sources, and the importance of critical thinking in the evaluation of historical evidence.

The second part of the paper discusses the role of the United States in the world. It is argued that the United States has a responsibility to promote democracy and human rights around the world, and that this responsibility is based on the principles of the American Declaration of Independence. The author then discusses the various ways in which the United States has fulfilled this responsibility, including through military intervention, economic aid, and diplomatic efforts.

The third part of the paper discusses the future of the United States. It is argued that the United States must continue to uphold its principles of democracy and human rights, and that it must also work to address the challenges of the twenty-first century, such as global climate change and terrorism. The author concludes by stating that the future of the United States depends on the actions of its citizens, and that it is the duty of every citizen to participate in the political process.

Helene Greene
District Treasurer

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Greenville of which the above is a true summary for the fiscal year ending June 30, 1963 and find them correct in all respects.

Russell M. Kimball
Maurice H. Dow
Auditors

SPECIAL ARTICLES

All of the special articles have already been referred to in previous sections of this report.

CONCLUSION

The Greenville School is enjoying a very successful academic year. The School Board has been very fortunate in hiring experienced, well qualified teachers and this experience is being evidenced every day in the classroom. Special credit should be given to the School Board who are constantly seeking ways to provide even better educational opportunities for children in Greenville. With their encouragement and support the teachers and I are striving to conduct a school of which all citizens may well be proud.

Respectfully submitted,

Kenneth A. Sargent

Superintendent of Schools

should or should not be expended.

FINANCE

There are two primary areas of increase in the upcoming budget. In the area of Teachers' Salaries there is an increase of approximately \$1200. This increase is necessary if we are to continue to have the services of the excellent staff that we have been fortunate enough to hire for this present year. In spite of this increase, the average salary of the teachers is still not any higher than the elementary average of teachers' salaries in southern New Hampshire and certainly considerably less than the average just across the Massachusetts state line. Everyone is aware of the fact that the school is not better than the quality of its teachers, thus money spent for good instruction is money that is being wisely spent.

The second area of increase is in Tuitions. Increased enrollment at the high school level which is anticipated to be in the vicinity of seventy to seventy-five plus an increase in the cost per pupil have increased the amount budgeted for tuitions by about \$6,000. Article 9 in the warrant again gives the school district the opportunity of voting to have an exclusive contract with Appleton Academy for the coming school year at a cost of \$34,558.00. This figure is based on what the Academy estimates that the Greenville enrollment will be during the year at a cost of \$467 per pupil. This matter has been discussed at open meetings and at school district meetings for several years and it is felt that most citizens are aware of the advantages and disadvantages of the passage of this article.

These two increases along with other increases and decreases in the budget and income anticipated result in an estimated school assessment of \$73,127.23. This assessment is about \$7300. above the assessment for the present school year.

board members of towns within the supervisory union. It may well be that by working closely with other communities in this area, the educational opportunities for children in Greenville could be vastly improved. Everyone knows that multiple graded classrooms have their limitations. Everyone knows that instruction at the seventh and eighth grade levels in the Greenville school cannot compare with the instruction that could be provided in a good departmentalized junior high school. These limitations make it necessary to constantly seek ways of better preparing children of the community to meet the future. The needs for the future are difficult to anticipate, but should be planned for. With these thoughts in mind an article has been inserted within the warrant to provide for the forming of a cooperative school study committee. This three man committee to be appointed or elected is the first step that can be taken if Greenville is to work with other communities in the solving of school problems.

At meetings that the School Board has participated in, two of them being held in Greenville, consideration has been given to the hiring of a school consultant. The consultants would survey the educational structure in all the interested communities, and make recommendations as to the best type of educational plan for Greenville. This plan would consider educational needs, community growth and finances. A second article is thus being inserted in the warrant to provide this study committee with funds that might be used to hire the services of a school consultant. These funds would not necessarily be spent but if it seemed to be in the best interests of Greenville to go along with the hiring of consultant services, then the money would be available for this purpose. It is further possible that trust funds that are available in the State of New Hampshire might help to reduce the costs of any study made by the cooperating committee. It seems wise, however, to provide an amount of money sufficient to meet the greatest possible known needs and depend upon the appointed or elected committee to decide whether the funds

however, that the program will definitely upgrade the instruction in this area and give youngsters insights and understandings that never could have been expected of these children in the past.

Provision is being made in the upcoming school budget for the instruction of children in classes for the intellectually retarded. The statutes of the State of New Hampshire allow expenditures to be made in this area and certainly this kind of education is necessary for these children, and is also helpful to those children remaining in the Greenville school. An article in the warrant relates to the raising of additional funds in this area in order that other children that require this type of education are properly provided for.

BUILDING AND GROUNDS

Two articles in the warrant relate to providing maintenance services that seem to be quite necessary. The sum of \$900 is asked for in Article 11 to provide funds to paint the school building. The building has not been painted for some eight years and it seems advisable to have this expenditure made in order to maintain the building in proper condition. Each year that this painting is postponed means that perhaps additional funds might have to be expended for painting and also for deterioration of the structure itself. In Article 12 the district is given an opportunity to approve proper repairs to the front entranceway of the building. Each of the four columns is rotting out at the base in spite of minor preventative repairs that have been made, and a major job of repairing must be done in order to properly maintain the columns. In addition the floor area is weak and insecure and it is possible that if repairs are not made some serious injury might take place through a breakage of the supporting floor.

FUTURE NEEDS

Since early last fall discussions about improved instructional opportunities for children have taken place by
