What is the Teen Summer Reading Program?

This is a program to encourage teens to read during the summer months (and throughout the year).

How does it work?

- Sign up for the summer reading program at the library and pick up a reading log.
- Keep track of each book you read or listen to in your summer reading log beginning on July 1st. Turn in your log by August 8th. For every 5 books you read, you will get one entry into a raffle drawing for a \$50 Amazon gift card.
- Attend our programs. For every program you attend, you will get one entry into our raffle drawing

What counts as reading?

Reading any print book or ebook, or listening to an audiobook.

Who can participate?

Any teen from Greenville or surrounding towns. You don't need a library card to participate, but will need one to borrow books from our library. Remember, any student in the Mascenic School District can get a library card for free (parent signature required for those under 18). Ask a librarian for more details.
